

Ho ho ho!

Merry Christmas, little friend!

I must thank you for your lovely letter. Rudolph and I were so excited when we received it. We rode all the way down to the post office in the North Pole to pick it up!

Letters like yours remind me of how much I enjoy this time of year. All the hustle and bustle, elves rushing everywhere to fill my sack with presents for you and all your friends.

Anyway, it's time to start loading the sleigh.

I'm looking forward to visiting your house on Christmas Eve. Remember to leave a cookie for me and a carrot for Rudolph!

Love, Santa
