Cooper St to open their first flagship store December 2009 at Westfield Bondi Junction!

The wait is over for all Cooper St addicts! After 21 years of wholesaling to boutiques and department stores nationwide, Cooper St are finally opening the doors to their very first flagship store in Sydney's fashion mecca, Westfield Bondi Junction this December .

Due to an overwhelming demand, Cooper St had no choice but to open their own store. With new indent ranges dropped into store each month, customers will never get bored of playful party dresses, flirty cami's, micro minis and tailored shorts and pants when the store swings open its doors on **Tuesday December 1st 2009.**

Craig Cooper, Founder and Director of Cooper St says *"After a booming year, the Cooper St brand has become so popular we're just keeping up with demand - this seemed like the next logical step. After 16 years at Paddington markets I saw an opportunity to do it all over again with a fabulous position on offer at Westfield Bondi Junction. Here we are in our 21st year opening our first Cooper St store in Bondi Junction, just a stone's throw away from the labels humble beginning in Paddington markets"*

Now everyone can get their hands on the fabulous party frocks that are loved and adorned by stars including Jen Hawkins, Jess Mauboy, Rachel Finch, Laura Csอร์ตan, Kate Ritchie, Shelly Craft, Erin McNaught and Sonia Kruger to name a few.

Just in time for the party season and any last minute Christmas gifts, visit Cooper St at Shop 3028, 500 Oxford St, Westfield Bondi Junction NSW 2022
