

SEPTEMBER 2010

### CONSTRUCTION UPDATE

It is now less than two months until the Westfield Sydney Stage 1 retail opening.

*Artist's impression: Westfield Sydney (corner of Market and Castlereagh Streets).*

Shop fitters are continuing to arrive on site to complete the fit outs for our fashion and food retailers.

Works are continuing on the external glass facade of the retail precinct and the steel structures for the new Castlereagh Street and Market Street pedestrian bridges are now in place.

Ceiling and floor finishes are continuing to be completed in the Malls of the precinct along with feature lighting, column cladding and painting works.

*Photo: A worker installs ceiling finishes on Level 3 of the Westfield Sydney retail precinct.*

Works are continuing to build the new 85 Castlereagh Street commercial tower, with the structure due to reach Level 12 over the coming weeks.
